HOW TO GET THERE

Driving from Béziers to Bédarieux on road D909

When approaching Magalas, ignore the interchange to the village, and keep driving approx. 1600 yards.

On your right hand side, you will see three small direction boards showing the way to "Domaine de l'Horte", "Domaine Saint Paul", and "St Martin d'Agel".

Take this road.

BE CAREFULL, it is a real hairpin bend! Gear dramatically down to turn right. Don't forget to signal it.

Cross the ford then turn left. (Small direction board mentioning "St Martin d'Agel".)

Take the right side (dead end) of the junction: Domaine de l'Horte is at the end... of the dead end.
